Communication skills

I have participated in several team projects and, in such situations, effective communication is absolutely necessary. I also had the opportunity to meet several people, for example, in the project to create a database of Romanian experts, with whom I had to interact to find out their background, expertise, etc., where again, communication skills were needed.

Organisational / managerial skills

I have had many team projects, either in college or in internships, where I had to organize a group of people to perform a particular task. Also, in every other project that i've worked on, be it organizing an event or writing a paper, team has been esential.
