PROFESSIONAL / VOLUNTARY EXPERIENCE

November 2022 – present

Risk control specialist and credit analyst at Société Générale Global Solutions SA – Preliminary analysis of the opening of accounts and associated services chosen by the prospect, performing the necessary bank checks for entering into a relationship with the bank, examining client files, in order to identify missing or non-compliant documents. I also handle credit requests from individuals, requesting and checking the documents sent by the client and finally analyzing whether I will grant or deny the credit based on calculations and a procedure that must be followed.

February 2021 – May 2022

Assistant university professor at S.N.S.P.A., University of Political Science - teaching the public policy seminar at the undergraduate level

September 2020 – December 2022

Researcher in the Tipping+ project, funded by the European Commission

Part of the Romanian team, together with Prof. univ. dr. Andrei Țăranu and lect. univ. Dr. Arpad Todor and 14 other international academic organizations, within the Tipping+ project, Enabling Positive Tipping Points towards clean-energy transitions in Coal and Carbon Intensive Regions (funded under H2020 Grant Agreement No. 884565). My tasks are both administrative, to make various presentations related to the case study of Romania, focused on the Jiu Valley, and research (qualitative, quantitative, on field)

December 2019 – August 2020

Desk researcher and Assistant to the working group 4 "Urbanism. Infrastructure. Green spaces. Playgrounds" and then Expert to the
