### WORK EXPERIENCE

11/01/2021 – 28/06/2024 Bucharest, Romania

#### PUBLIC PROCUREMENT ADVISOR MINISTRY OF FINANCE

##### **Job Responsibilities:**

1. Participates in the development and updating of the annual public procurement program, based on the needs and priorities communicated by other departments within the Ministry of Finance (MF);
2. Conducts public procurements by applying public procurement procedures or through direct online and offline purchases;
3. Prepares the awarding documentation (excluding technical specifications) and the documents forming the public procurement file;
4. Completes and updates the integrity form for the procurement procedures they are responsible for and forwards any warnings received from integrity inspectors to the person concerned by the potential conflict of interest, as well as to the head of the institution or the person delegated with responsibilities in this regard;
5. Participates in evaluation and reception committees according to the decision of the service or general management;
6. Drafts framework agreements, subsequent contracts related to framework agreements, public procurement contracts, and additional documents related to the public procurements they are responsible for, which are then forwarded for approval to the signing departments within MF;
7. Monitors the signing of framework agreements, subsequent contracts, contracts, and additional documents related to the public procurements they are responsible for;
8. Prepares the Proposal for committing an expense and the Individual/Global budget commitment, according to the system procedure PS-07, for the procurements they are responsible for;
9. Verifies tax invoices, certifies the reality, regularity, and legality, and prepares the Payment Order, according to system procedure PS-07, as well as other documents related to payment, for the legal commitments they manage;
10. Collaborates and ensures correspondence with departments within MF and economic operators to fulfill the job's purpose;
11. Conducts public procurements for projects funded by structural instruments and/or other non-reimbursable funds, implemented by MF, acting as a member of the project team designated as procurement responsible by the service or general management;
12. Participates in the preparation of reports/situations regarding public procurements requested by authorized institutions or the service or general management;
13. Is responsible for and signs for the legality and correctness in substance and form of all documents they prepare;
14. Collaborates with control/audit teams during missions and prepares explanatory notes, relation notes, and points of view on control/audit team reports related to the assigned work;
15. Is accountable to the institutions and services exercising control or audit rights on issues within their area of competence, providing the documents these entities consider necessary to fulfill their missions.

15/12/2017 – 08/01/2021 Chitila, Romania

#### PUBLIC PROCUREMENT INSPECTOR CITY HALL OF CHITILA

##### **Job Responsibilities:**

- Centralizing necessity reports related to public procurement to identify objective needs.
- Participating in the development of the annual public procurement program.
- Registering incoming and outgoing documents addressed to or issued by the Procurement and Investment Service.
- Estimating, according to current legal provisions, the value of public procurement contracts based on the calculation and summation of all amounts payable for fulfilling the respective contracts.
- Selecting the method for conducting public procurement, either through direct procurement or, if applicable, by using one of the award procedures mentioned in Article 68 of Law 98/2016.

- Developing the contracting strategy for the selected procedure.
- Preparing, using, and archiving the awarding documentation for public procurement contracts or documentation containing all information related to the public procurement contract's subject and the selected award procedure.
- Providing economic operators with the awarding documentation according to the procedures established by current legislation.
- Creating and transmitting for publication, in compliance with legal deadlines and using available electronic means, announcements of intent, participation, and awarding – Publishing in SEAP (Electronic System for Public Procurement).
- Monitoring the receipt of notifications from ANAP (National Agency for Public Procurement) regarding the invalidation of announcements, addressing deficiencies or omissions, based on the rationale provided in the notification.
- Ensuring, according to legal provisions, the proper handling of correspondence (including meeting document registration requirements) with economic operators throughout the procedures, at each stage.
- Communicating and transmitting legal data of the entire public procurement process, in compliance with current legislation.
- Ensuring adherence to rules for avoiding conflicts of interest during the public procurement award procedure, as well as rules for the formation and functioning of evaluation committees specific to each type of selected procedure.
- Ensuring compliance with the procedures for each selected and launched awarding procedure.
- Drafting the award procedure report, the public procurement contract, and forwarding them for verification, approval, and signing by competent individuals within the contracting authority.
- Preparing, maintaining, and archiving the public procurement file, including all related documents specified by legal norms in the field.
- Handling any potential complaints regarding the public procurement procedure conducted by the contracting authority.
